Abbotsholme parents and what they think of our school!

“We both wish to thank you and all your staff, for making Chris’s years with you some of our most memorable....Abbotsholme is a place where students are nurtured and cocooned within its secure environment. You have provided him with opportunities that would never have been possible at other schools.”

“You are doing a great job. Carry on.”

“I am very happy with my child’s education to date. She is in a friendly, supportive, learning environment.”

“Over time Chris has grown into a fine young man for which you are responsible. Watching him perform on stage, clearly enjoying every minute was something we never expected to see.”

“Any child accepted into this Abbotsholmian world, is extremely lucky.”

“Through the many challenges and opportunities Abbotsholme provides, your child is encouraged to reach their full potential. The majority of these are provided with the fee structure and the more a child takes part in school life, the greater value it becomes.”

“Abbotsholme has given our children a fantastic grounding for life and I would always recommend it.”

“The ethos and lifestyle is unique.”

“Huge value being a 5-18 school. My boys grow up with fabulous roles models and a positive sense of how things can and will be for them as they get older.”

“Abbotsholme has changed our lives. We have our happy little girl back who now believes in herself.”
