

Simon van de Kamer

Profile

My great passion is hockey. I get a lot of enjoyment out of the youth. To improve coaching, but also to stand on the field as a trainer and coach different junior and senior teams. Coaching with a vision and clear structure allows for a gradual growth of your hockey players, both at the top and at lower levels. I try to let players to play hockey while having fun, so that they are motivated to improve themselves.

Experience

AMHC ROOD-WIT

Hockey Co-ordinator - 2013-present
