## **Assignments / Homework**

Senior School pupils will receive homework / assignments each evening through Firefly.

Pupils in Year 7 and 8 have one to three subjects per night and spend 30 minutes on each subject.

Pupils in Years 9-11 have two or three subjects per night and are expected to spend at least 45 minutes per subject.

Sixth Form pupils will receive approximately 4 hours per subject per week.

Pupils will be set assignments via Firefly so you will know which subjects to expect each evening if you access your child's information.

Boarders will attend an evening assignment which is supervised by staff.

Parents and tutors can use firefly to communicate and tutors will check firefly weekly to make sure pupils are organising themselves and keeping up with work.
