

# A Level Psychology @ Abbotsholme in Sixth Form

## Three key reasons to stay and do an A Level in Psychology:

- ✓ You learn a lot about human behaviour, motivation and group dynamics, useful knowledge to use in industry.
- ✓ It compliments other subjects well, in particular, Biology and Business Studies
- ✓ You could be a Forensic Psychologist, Psychotherapist or a Clinical Psychologist.

Email Liz Cartlidge for further information or to ask her other questions that suddenly crop up after this evening on [liz.cartlidge@abbotsholme.co.uk](mailto:liz.cartlidge@abbotsholme.co.uk)
