

Abbotsholme Guardian List

Abbotsholme has put together a list of guardians that other parents use to support overseas students throughout their time at the school. Abbotsholme School staff are not able to be appointed as guardians to pupils whose parents reside overseas. We hope you find this useful, but if you have any further questions, please do not hesitate to contact the Admissions Office on 01889 594 265 or email admissions@abbotsholme.co.uk

For further information on Guardians in the UK, visit the Association for the Education and Guardianship of International Students (AEGIS) website www.aegisuk.net. The majority of the organisations listed below are accredited members of AEGIS.
